

## 2005 PROJECT DEVELOPMENT CONFERENCE

### IMPLEMENTING CONTEXT SENSITIVE SOLUTIONS IN IDAHO

April 6 & 7, 2005

### Idaho Transportation Department's 2005 Excellence in Transportation Awards

The *Excellence in Transportation Awards* recognize Idaho projects that make exemplary use of transportation tools and context sensitive solutions and are of exceptional benefit to the public.

Awards will be given for projects that show a pattern of innovation or bold initiative in the area of context sensitive design for the following categories:

Transportation Planning  
Environmental Stewardship  
Public Participation  
Construction

#### Award Presentation:

Recipients of the *Excellence in Transportation Awards* will be announced at the *2005 Project Development Conference Awards banquet* April 6.

#### Award Timeline

Jan. 12, 2005	Request for nominations
Mar. 1, 2005	Nomination deadline
Apr. 6, 2005	Awards presented at the 2005 Project Development Conference Awards banquet in Boise

#### Award Criteria

Eligibility: Any firm/agency engaged in transportation related projects in Idaho is eligible to enter the awards program.

General Criteria: Projects entered in this competition must be located and “mostly designed” in Idaho.

One award will be given in each category and a project may be entered in as many categories as desired. A separate application must be submitted for each category. One 24” x 36” mounted display panel illustrating the project must accompany each award application.

*The Idaho Transportation Department will not be responsible for any damage or loss to entrant's materials.*
